© FaStGO 2020 – (Project N° ENER/C1/2019-517)

# Would you report prices at which you traded your certificates?

© FaStGO 2020 – (Project N° ENER/C1/2019-517)

# Does the reporting basis for electricity GO statistics also accommodate reporting needs for other energy carriers?

© FaStGO 2020 – (Project N° ENER/C1/2019-517)

# Conclusions

---

1. There is general support for the AIB statistics, and support for providing such data from non-AIB counties
2. On the specifics of price data, APIs, and reporting basis there is less clarity
3. More engagement with stakeholders is needed on these more complex points, which have wide implications for GO markets...
